Dear Councillors,

I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I agree with the deletion of the policy C12 from the local plan. The reasons for my agreement are as follows: there will be a huge and unsustainable impact on the roads, destruction of ancient woodland and the destruction of the primary school which is not at all cost effective.

I would also object to any possible future development for a large development in that location.

Thank you for listening to my concerns.

Kind regards,

Lucy Boutwood
