To whom it may concern

I'm writing to express my full support for the proposed deletion of Policy C12, *Land north of the University of Kent*, from the Local Plan.

I wholeheartedly agree with the technical reasons provided for this change, particularly the adverse impact on the local road network, the loss of ancient woodland, and the unjustifiable cost of demolishing Blean Primary School. These concerns are significant and, in my view, would apply to any future proposals for large-scale development in this location.

Thank you to the councillors who have listened to the concerns raised by local residents and others; your attention to these important issues is appreciated.

Yours faithfully

Madeleine Roberts
