Please, please PLEASE listen to the people who voted for you, not the Government. You know how all this building is going to affect roads that are already busy & damaged, the fact we already have more sewage than we can deal with, water shortages etc, but my worry is the fact that you have already taken away soo much countryside, there is going to be nothing left for us, our children & our Grandchildren. Once you have taken it, we will never ever get it back, it is soo important.

The other day I was walking along the field, & in the middle was a heron, just stood there..enjoying, I have seen owls & loads of other wildlife there, I beg of you... please listen, be brave & say NO !! We need that beautiful open space. Please!

Kind regards

Mrs. Natalie Miles.
