Dear Sirs

I am writing to lodge an objection on behalf of myself and my husband to the policies mentioned below

Mr David Auty and Mrs Nova Auty

[REDACTED]

We object to policies **N20 ,N21,W4 and W6** ,on the basis that the council have not adequately assessed the unacceptable impacts on highway safety which would result from these policies .As residents of Millstrood Rd we are particularly concerned with the increased traffic on this road .

We would also like to register again our strong objections to Local Plan Policy W4 Brooklands Farm because of the increased pressure on the towns infrastructure and local facilities.We object to the proposed A299 junction as this would trigger yet further development alongside the A299 New Thanet Way further adding to issues with traffic ,water shortages and sewage pollution .

The area of "High Lansdscape Value "between Whitstable and Blean woods is not a suitable site for the needed housing .

Sincerely

Nova and David Auty
