Dear Sirs

Do you have any comments on the proposed deletion of Land north of the university of Kent (Policy C12) ?

I wish to object to the plans by UOK to build the houses at Tyler Hill and Blean

It is essential we maintain and enhance this amazing part of Kent and houses should not be built here

The financial crisis the University is in - should not be an excuse to build all these houses and should be refused

I agree with the technical reasons for the change - the impact on the road network , the destruction of the ancient woodland and the cost effectiveness of demolishing Blean school

Thank you

Nick Parker
