Subject: Fwd: URGENT PLEASE READ - N32 - Objection to housing over developments in Chartham

You don't often get email from [REDACTED] [Learn why this is important](#)

--Email From External Account--

Dear Sirs

The area is designated an Area of Outstanding Natural Beauty and anymore concreting over of surrounding areas will be detrimental to not only wildlife, but the ability to grow crops, together with the detrimental effect on the wellbeing of the population with increased traffic and no infrastructure in terms of medical and educational facilities together with the risk of increased flooding.

There are already major housing developments in the area and there must be no more.

Yours faithfully
Patricia Rice
