Subject: Altered local plan consultation

--Email From External Account--

.I write regarding Nos. N20 21. 23 and24/

Please please hear the concerns raised by those of us already living locally to these proposed planning schemes.

While I raise no new information, our concerns regarding extra traffic, already over worked health centres, sewerage and surface rain water issues, as well as in many cases over subscribed schools - these concerns must be heard.

Please do not allow these new housing developments to go ahead.
