To whom it may concern,

I am responding to the question 'Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?'

I would strongly agree with the deletion of the policy C12 from the local plan.

I agree with the technical reasons given for the change (the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school) and would like to note that the same objections would apply to any possible future proposal for a large development in that location.

I would like to thank the councillors for having listened to the concerns of local residents in this matter.

Yours,
Adah Mayfield
