Subject: Canterbury District Local Plan - Rattington Street, Chartham

--Email From External Account--

Dear councillors

Proposed Policy N32 LAND AT RATTINGTON STREET - CHARTHAM:

I'm absolutely opposed to this development. I have commented on this in the past and do so again now.

I have lived in Chartham/Chartham Hatch all my life and have seen all the development, some good some bad, in the village for 60 years.

To allow this development will ruin the character of that area of the village, get rid of land needed for and that should be used for food production.

In addition the facilities in the village cannot cope with this number of extra houses.

Yours sincerely.

Alexis Howard
