**Subject:** Park & Ride Plans at Thanington - Opposed

**--Email From External Account--**

To Whom it Concerns,

I formally oppose the proposed plans to build a new Park and Ride on the recreational ground next to the Thanington Community Resource Centre. I work as a therapist at this centre and have lived in Canterbury for the past 10 years. To continue to take away the green spaces that local people have left is unacceptable. To continue to promote 'Tackling Climate Change' and then to take away the few green spaces in housing areas that the community uses regularly is not only eroding community events that promote social cohesion. These plans are nothing but hypocrisy.

PLEASE DO NOT ALLOW THIS TO TAKE PLACE. I WHOLEHEARTEDLY OBJECT TO THIS PROPOSAL AND PLAN.
