Chris Weller

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

ANSWER

Please maintain the deletion of the policy C12 from the local plan.

For all the following reasons

- Insufficient highway provision
- Loss of ancient woodland and
- the impact on the road network,
- the destruction of the ancient woodland,
- Cost effectiveness of demolishing Blean primary school.

The same objections would apply to any possible future proposal for a large development in that location.

I thank the councillors for having listened to these concerns.
