Dear Sir/Madam,

I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I am wholeheartedly in favour of the proposed deletion of land north of the University of Kent (Policy C12) from the local plan. I also agree with the valid, indisputable reasons given for the change: the impact on the road network, the destruction of the ancient woodland, and the prohibitive cost of demolishing and relocating Blean Primary School.

The same objections would apply to any possible future proposal for a large development in that location.

Thank you to the councillors for listening to our concerns.

Yours faithfully,

Debbie Musselwhite
