My name is Glynis Lurcock of [REDACTED]
I am responding to the following question : Do you have any comments on the proposed deletion of the Policy C12 from the local plan.

I agree with the deletion of the policy C12 from the local plan.

I also agree with the technical reasons given for the change -

- 1) The impact on the road network
- 2) The destruction of the ancient woodland
- 3) Effectiveness of demolishing Blean primary school

My objections would apply to any possible future proposal for a large development in that location.

I would like to thank all councillors for having listened to our concerns.

Regards

Glynis
