Dear Consultations Team,

Our names: Dr Jamie Edwards and Miss Molly Thomson
[REDACTED]

I am writing in response to the following question: Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I am writing to support the deletion of Policy C12. The proposed university development would place an unsustainable strain on Canterbury's already overstretched road network, destroy valuable ancient woodland, and result in the demolition of Great Blean Primary School, which we had hoped our children would attend.

Thank you for listening to the concerns of local residents and for recognising the serious long-term impact this development would have on both the community and the local environment.

Many thanks,

Jamie Edwards and Molly Thomson
