To whom it may concern,

I am writing to ask you to reconsider the housing that is proposed to be built on the current site that includes Spring Lane Community Centre in Canterbury.

This centre and the events held within it are a vital part of the community and provide outreach, support and friendship to those who need it.

It would be a great loss to the local area, and would leave a hole in many people's lives who are involved in the weekly events held there.

I therefore ask again that this proposal be reconsidered to allow Spring Lane Community Centre to continue its operations and support of the community.

Yours,  
Sarah Marple

Thank you for your response to the draft Local Plan: Focused consultation 2025. Unfortunately, we are unable able to record responses without a first and last name as sign off. This is to ensure we are only receiving 1 rep for each consultee and we and not receiving duplicates. Would you kindly resend your email and include your first and last names as the sign off please. Once this is done, we will be able to confirm it has been recorded and will be considered in the next stages of the Local Plan process.

Kind Regards,  
Consultations Team
