Good afternoon,

The council's Cabinet is due to consider a report at its meeting on 8 September recommending a focused consultation is undertaken on changes to the Draft Canterbury District Local Plan.

The report recommends that consultation is held on:

- a number of new draft site allocations policies
- changes to some of the draft strategic site allocations
- Gypsy and Traveller draft policies and allocations
- implications of other relevant changes to the NPPF

The report is **not** proposing to consult on a full draft of the Local Plan again at this stage, and all comments made at previous consultation stages will be taken into account as we prepare the full Regulation 19 version for publication in early 2026, ahead of its Examination.

Should the Cabinet agree to launch the consultation, it will be open for a six-week period from **9 September to 21 October**, and you will be contacted at that time, signposting you to the consultation documents and details of how to respond.

In the meantime, you can read the Cabinet report and a copy of the proposed Local Plan focused consultation document on our website here: [Cabinet asked for focused consultation on changes to draft Local Plan - Canterbury Newsroom \[news.canterbury.gov.uk\]](#)
