Subject: Draft Canterbury District Local Plan: Focused consultation 2025

Dear Sir/Madam,

We are writing to inform you that Canterbury City Council has launched a focused consultation on policies within its [new Local Plan](#) in accordance with Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The consultation is open from **Tuesday 9 September to Tuesday 21 October 2025** and we invite residents, businesses and services to give their feedback which is vital to planning for the district's future.

We are inviting feedback on **four key areas**:

- changes to some of the draft strategic site allocations
- a number of new site allocations
- Gypsy and Traveller draft policies and allocations
- what other changes to the NPPF mean for our district

We are **not** consulting on the whole draft Local Plan all over again.

Every single one of the comments received during the previous consultations will be taken into account as we prepare the final draft version of the Local Plan – known as Regulation 19 – early next year.

You don't need to resubmit comments you've already sent us.

All previous comments will also be forwarded to the Secretary of State for Housing, Communities and Local Government who will appoint a planning inspector.

You can read the consultation documents and background evidence on our website: haveyoursay.canterbury.gov.uk

You can provide your feedback by:
