Thank you for your response to the draft Local Plan: Focused consultation 2025.

Unfortunately, we are unable able to record responses without a first and last name as sign off in your email. This is to ensure we are only receiving 1 rep for each consultee and we are not receiving duplicates.

Would you kindly confirm if your initial J is representative of a first name or your name should be taken as Mansell Jagger. If J is an initial of your first name could please resend your email and include your first and last names as the sign off please.

Once this is done, we will be able to confirm it has been recorded and will be considered in the next stages of the Local Plan process.

Kind Regards,

Consultations Team
