To the CCC,
As asked, I will resend my document now, including my full name in this email. I hope this is okay.
Kind regards,

Thank you for your response to the draft Local Plan: Focused consultation 2025.
Unfortunately, we are unable able to record responses without a first and last name as sign off in your email. This is to ensure we are only receiving 1 rep for each consultee and we and not receiving duplicates.

Would you kindly resend your email and include your first and last names as the sign off please.

Once this is done, we will be able to confirm it has been recorded and will be considered in the next stages of the Local Plan process.

Kind Regards,
Consultations Team

I have attached a document outlining my thoughts on an element of your construction plan- I hope you take the time to read and consider it.

Thank you.
