Hi Leo

Forwarding this petition re the Local Plan Reg 19 to you, as agreed with the petitioner. Chain says there re 4 emails - do let is know if you can't see all of them.

They agreed to present by email and we said

'we will then forward it to the Head of Corporate Governance who will refer it the appropriate department for attention. The petition will be lodged as a response to the Reg19, if resolved on Wednesday night, or considered as a part of any future discussion and decisions on a redrafted Local Plan.'

Best wishes

Andrea

Dear Sir/Madam

There are two email with attachments with signatures. This is email 4.

Please find attached a Petition Objecting to Canterbury City Council Local Plan Regulation 19 as per the agenda at this evenings Extraordinary Full Council Meeting and the pages of signatures in support of the petition.

The petition states the reasoning for the objection and is signed by 348 people. 9 of these we understand may not be Canterbury District council residents, but we believe in good faith that the remaining 337 are.

Kind Regards

Phil Barefoot.

Good morning

Thank you for your email. As the Council meeting on the 18 March is an extraordinary meeting, and listed as such so on our website, petitions cannot be presented at that meeting. This is according to the constitution procedures as per the petition scheme Part H ([Appendix H - Petition scheme.pdf](#)) which states:

1.8 Petitioners have the option to present their petitions at any meeting of the full Council except for the annual meeting or an extraordinary meeting. Dates and times of the meetings can be found on the Council website.

1.9 If any petition organiser does not wish to present their petition to a full Council meeting, it is referred to the Head of Corporate Governance, logged and referred to the appropriate department for attention.

Instead, can you please forward the petition to this email address, and we will then forward it to the Head of Corporate Governance who will refer it the appropriate department for attention. The petition will be lodged as a response to the Reg19, if resolved on Wednesday night, or considered as a part of any future discussion and decisions on a redrafted Local Plan.

Kind regards
