Dear Sir/Madam

Please find attached my formal objection to Planning Application C10 relating to the proposed development of Merton Park on Wincheap Orchards and Fields, Canterbury.

My objection sets out detailed concerns regarding the sustainability of the the proposal, including its impact on water supply, environmental loss through large-scale tree felling, increased traffic congestion and air pollution. Pressure on infrastructure and services and the loss of established wildlife habitats.

I respectfully request that these matters are fully considered and that planning permission is refused.

Please confirm receipt of the objection and keep me informed of any updates or decisions relating to this application.

Yours faithfully,
SA Linsdell

Miss Shirley-Ann Linsdell
