Sir/Madam,

See attached objection to the CCC Local Plan and in particular N21/N24 // W6/W9.

IMPORTANT:- 3 no documents are attached, two focuses upon the entire plan and our valid objections. The last is a letter providing more personal objection relating to Golden Hill. I wish you to understand that the N21/N24 // W6/W9 policies are significantly pertinent to our objection, as per the 300+ others who submitted a petition to KCC at the last stage.

Attached as discussed.

Regards,
Chris Hooles [REDACTED]
