Good Afternoon,

I have submitted a representation on behalf of Pentland Properties for the ongoing Regulation 19 Consultation, in respect of Land North of Hollow Lane (Former Policy C7).

I have made this submission on the online portal, and uploaded the accompanying letter to the portal. For clarity, the letter and the appendix are attached separately.

We are also resubmitting transport evidence previously submitted, and these can be downloaded from the following link: <https://we.tl/t-nFP5MXrFpJZWNV6w>

- Canterbury Local Plan Evidence Vol 1 – Sustainable Transport Strategy (ref: 22-022-015 Rev C) prepared by C&A; and
- Canterbury Local Plan Evidence Vol 2 – Traffic Impact Assessment (ref: 22-022-016 Rev B) prepared by C&A.

I would be grateful if you could confirm receipt of this submission and all of the attachments?

Kind regards
Oli
