Dear Corporate Consultation Manager,

I attach my response to the DCDLP Consultation - Reg19. Thank you for giving me the opportunity to do this. I am sorry if it is garbled but I have felt truly overwhelmed by the information released at the same time as ad this draft local plan.

My comment is accompanied by one appendix within the document which provides some detail to my comments about the World Heritage site.

I also attach a separate document C. Swire APPENDIX (CCC Local Plan 2026 -Latest evidence documents) identifying all recently released evidence base documents which, other than one, have not been released separately from the publication of the plan.

Kind Regards,
Camilla Swire
