Hi Viktor,

Thanks so much for getting in touch. You're absolutely right -- here is Hoath Parish's response to the Local Plan consultation, at last.

I'm really sorry to be so slow -- there seems to be so much happening at the moment. I hope this can still contribute but if too late, I/we do understand. It's very much feedback from a rural parish with obsessions about water, soil and biodiversity. I'd love to be really enjoying the heatwave . . .

With best wishes and thanks again for being in touch,
Imogen

Hi Imogen,

Thank you again for your recent email.

Just to clarify our earlier message - the comments you sent through have been logged under the biodiversity consultation. You mention that you are incorporating elements into your response to the draft Local Plan Regulation 19 consultation, but we don't appear to have received a separate submission for this.

Kind regards,
Viktor

Thank you for your response to the draft Local Plan Regulation 19 consultation 2026.
We can confirm it has been recorded and will be considered in the next stages of the Local Plan process.
