Dear Sir or Madam

Being a resident of [REDACTED] Westbere, living in a property that has been in my family for over fifty years I am fully aware of the historical significance of Westbere's Bread and Cheese Field and I am totally against the Council decision to allocate this field for housing development which is totally unnecessary (Policy R6 SLAA163)

Further I fully support the Westbere Village Preservation Society's objection on all points.

Yours faithfully

John Engwell
