Dear Sir/Madam

I am resident at [REDACTED] and back on to the development area.

I accept that something has to be done with that space but building dwellings is not what I had in mind.

I object to the proposed development because of the extra burden of vehicular traffic that would impact on Beacon Road.

Another thirty odd vehicles using Beacon Road every day would be just too much and they would join those vehicles using Beacon Road

as a short cut bypassing the nearby set of lights . Plus Beacon Road residents vehicles - An accident waiting to happen !!

If the development has to go ahead please make sure there is a majority of it termed 'affordable', with a preference for occupiers given

to Herne Bay young persons. Thankyou.
