Dear Sir or Madam,

Regarding the proposed plan, I must register my total objection because

- 1) The area is already overpopulated
- 2) Our infrastructure cannot cope now, so encouraging more people into the area makes no sense.
- 3) There is nothing in the plan to increase the number of doctors, dentists, schools, police etc.
- 4) There is nothing in the plan to regenerate our town centres.
- 5) There is nothing in the plan to generate more jobs, in particular manufacturing.

I could continue but believe the above says enough and should, I hope, be food for thought.

Best regards

Paul Lithgow
