Dear Canterbury,

Many thanks for the opportunity to comment on your Regulation 19 Local Plan.

Swale Borough Council do not have any specific comments to make at this stage.

As you will be aware, Swale Borough Council have signed two Statements of Common Ground with yourselves:

1. Statement of Common Ground in relation to Strategic Highways (A2/M2 corridor) Date: 6/3/2026
Main Parties: Dover District Council (DDC), Canterbury City Council (CCC), Swale Borough Council (SBC) Other signatories: Kent County Council Highways and Transportation (KCC), National Highways (NH)
2. Statement of Common Ground between Canterbury City Council and Swale Borough Council March 2026

The Council would like to reserve the right to comment at later stages/appear at the Examination depending on how Canterbury's, and our own, transport modelling evolves in terms of the impact on the A2/M2 corridor, especially in relation to Brenley Corner. We will continue to work in a collaborative and constructive manner with yourselves on these matters as both Local Plans progress towards submission and examination.

Regards,

Natalie
