Dear Sirs

We wish to have our objections noted on the proposed plan for a bypass at the back of Dukes Meadow (Western Bypass). We live alongside the Harbledown Bypass (A2050) which is very noisy and busy and having traffic behind us would impact our lives immensely. Dukes Meadow is the one place we can go and sit at the top to overlook the city in peace and quiet. It is also a safe place for children in the area to play. We agree that there needs to be a ring road around Canterbury, but perhaps this needs to be further out, maybe before taking land for houses a ring road should be considered first. As to the proposed Park and Ride it would be more beneficial nearer to Brenley Corner and then it could serve both Canterbury and Faversham.

We hope our objections will be noted.
