Subject: Response to the Local Plan proposed 4th Park and Ride
To: CCC Planning <planning@canterbury.gov.uk>

Dear Sirs, it has not been possible for me to post a response to the proposed 4th Park and Ride on behalf of the Parish Council using the Consultation Portal and therefore I am giving you the response from Harbledown Parish Council by email.

At the last Parish Council meeting, held on Monday, 26th July, 2021, 19 members of the public and all eight Parish Councillors were in attendance.

Various members of the public spoke at the Open Forum and every one of these speakers spoke against having a park and ride in either Upper Harbledown or Harbledown. A vote took place and not a single member of the public supported a park and ride. The general impression gleaned from residents responses is that this proposal has caused a great deal of anguish and upset within the parish and should the City Council move ahead with this plan than it will be robustly opposed.

Later in the meeting councillors considered the matter and agreed that there were no suitable sites for a park and ride site in either Upper Harbledown or Harbledown and that the current plan is unclear and therefore not fit for purpose.

It was resolved to write to Canterbury City Council and advise them in the strongest possible terms that the Parish Council object to this proposal.

Please send me an acknowledgement of receipt of this email and confirmation that this objection will be noted within the consultation.

Thank you in advance for your assistance with this request.

Best regards Wendy
