Subject: Response to the Local Plan new road joining the A2050 with Whitstable Road
To: CCC Planning <planning@canterbury.gov.uk>

Dear Sir or Madam, it has not been possible to submit a response from the Harbledown and Rough Common Parish Council using the Local Plan Consultation portal and so I am responding by email.

At the last Parish Council meeting, held on Monday 26th July, two residents strongly opposed the proposed road. Parish Councillors acknowledged that it was likely that other residents may be supportive of the scheme.

Later in the meeting, following discussion of the proposal, the opinion of Parish Councillors was mixed.

It was resolved that the Parish Council could not support the plan in its current state because there isn't enough information and therefore is not fit for purpose.

Please acknowledge receipt of this response and confirm that it will be added to the Local Plan Consultation.

Thank you in advance for your help with this.

Best regards Wendy
