Whilst I have completed the online consultation response forms for Catesby – references below:

552973 on the Vision and Growth Options chapter

552981 on the Transport and Movement chapter

552994 on the Historic and Natural Environment chapter

551669 on the Housing chapter

And

553017, 553021 and 553027 on the SA

The nature of the forms does not allow anyone to actually make any site-specific points.

As such attached are my reps in letter form + an accompanying vision document – which supplements that submitted by Catesby in June 2020 in response to the call for sites

We would appreciate it if you could have regard to the attached in considering our reps.

We would also appreciate the opportunity of talking to officers both about our comments on the Canterbury District Local Plan 2040: Draft District Vision and Local Plan Options May 2021, and the merits of the land at Thanet Way.

We look forward to hearing from you

Kind Regards

Judith
