Subject: Save Wincheap Water Meadows / Local Plan
To: <planning@canterbury.gov.uk>

To the planning department,

You must not build on any more of the water meadows.

You know why not - They are a vital natural resource and amenity for us all, and wildlife, not to mention their huge historical significance in a UNESCO city.

You need to put a protection covenant on them for perpetuity, and let never again the public have to spend their precious time and energy fighting to protect them.

Regards,
Beccy Smart
