To Planning dept Canterbury City Council,

I have attached my comments re the proposed LOCAL PLAN DRAFT VISION & OPTIONS DOCUMENT.

I would ask that they be included in response to this document by CCC.

I have attempted to use the online system and find it totally unacceptable and almost unusable so that is the reason for sending my submission in this form Which I see is acceptable.

The issues with the e format found were:

1. Over complicated to use.
2. Issues with timing out
3. Format skewed towards a preferred outcome
4. Exclusion of those not familiar with IT systems or these being unavailable to them.

I trust that also can be communicated to the relevant personnel as well.

I hope that is acceptabel but please inform me if you have any issue with the above

I have included my contact detail on the attached

Regards David Smith
