Subject: For the attention of the new local plan consultation team.
To: <planning@canterbury.gov.uk>

From: The Friends of Fordwich & District.

The government's algorithm for assessing the need for so much extra housing nationally has been cast in doubt and in Canterbury the need for 9000 new homes seriously challenged so for CCC to now increase this number required to 14,000-17,000 extra homes with the necessary infrastructure only added afterwards paid for by 106s imposed on planning grants is crazy and not at all acceptable to FOF&D members.
