Dear Simone,

I am attaching the St Stephen's Residents Association response to CCC's Draft District Vision and Local Plan Options consultation 2021 which I have presented using the 'Word' document that you sent me. The responses are all recorded in blue font. I have removed some of the text from the document that I received to make it easier for SSRA members to read written responses, although they were also given a full version of the original text to read.

There is a section of the written response still missing, about Heritage and Natural Environment that I am waiting to receive from one of our committee members. However, I preferred to submit the main part today since I won't have a lot of free time available over the next few days. I will forward the additional section to you when I receive it.

I would be grateful if you could send me an e-mail acknowledging receipt of what I have submitted.

Thank-you

Regards,

Jennifer Holland

Vice Chair, St Stephens Residents Association

Dear Jennifer,

Thank you for your recent inquiry. Please find attached a copy of our Local Plan Options Consultation in word format. If you are able to input your answers into the form that would be of great help and would save Officer time. However, if this is not possible we are able to accept a word document.

Kind regards
