Dear Sir/Madam,

Many thanks for giving us the opportunity to respond to the Canterbury District Local Plan - draft vision and options for the district.

Please find attached our response letter. The first page contains general marine planning information and legal responsibilities. Pages two to five briefly details specific consideration for the Local Plan.

In addition to this, if you would like further information on the South East Marine Plans, I would be happy to provide a meeting covering general information on marine planning, monitoring and implementation of the south east marine plans, tools for implementation and an update on the development of marine plans in England.

Please do not hesitate to get in touch if you have any questions.

Kind regards,

Lucinda
