

local communities' afforded by your Policy HD06 were rendered not applicable. Specifically, it allowed a planning application for residential redevelopment of No 2 Woodland Way in 2018 to be refused on the basis that the site should be used to create student or university accommodation as per Local Plan Policy, which ultimately led to an application by a private developer for 3 blocks of purpose built flats to accommodate approx 70 students being accepted.

We look forward to hearing further regarding this Boundary issue as the Planning process continues.

Yours Sincerely
