- (b) where the DPI is not entered in the authority’s register and is not the subject of a pending notification, but is disclosed at a meeting of the authority (or any committee, sub-committee, joint committee or joint sub-committee) as required by *s31(2)* of the Localism Act, within 28 days beginning with the date of the disclosure (*s31(3) Localism Act 2011*);

## Notification of Disclosable Pecuniary Interests

It is also a criminal offence to knowingly provide information that is false or misleading (or being reckless as to whether the information is true and not misleading)

If your authority adopts a new code of conduct you are required to notify the Monitoring Officer of any DPIs before the end of 28 days beginning with the day on which the Code takes effect. Failure to comply with this requirement would not of itself be a criminal offence but could render you liable to action being taken against you under the Code.

To the best of my knowledge, the information given in this form is complete and correct.
